Conference Orders, Continued

Case:

Monadnock

Civ. A. 16-420

Date: 8/15/2018

**Additional Orders:**

The motions A 83108, and 115 are moot because of the settlement between Monadnock, Glasswell & Age Counts & S.J.K. Clunbe.

The settlement has raised concerns as to whether the claims by Monadnock which are being assigned to a third party to litigate against Westchester are valid. This is a preliminary question to many of the issues raised in the motions at 55, 80, 96, 111 & 12. The parties are not in agreement as to whether the settlement agreement should be exchanged or its impact on these motions. They will file the submission discussed as to the issues by 9/10/18. The motions are administratively terminated until the preliminary (as well as the motions) are resolved and can be reinstated upon a party's request after the 9/10/18 submission.
